APR 10 6:00PM DINNER
7:00PM STATED MEETING – VOTE ON DUES INCREASE TO \$125 TOTAL.

APR 24 6:00PM DINNER
7:00PM STATED MEETING -

Hello Brothers,

There was discussion about the financial condition of the Lodge at the Retreat in January. Ideas were passed to the Trustees for further discussion. The Trustees presented to the Lodge an increase of \$21 be added to the dues for 2024. This amounted to the Lodge receiving \$80 and the Grand Lodge per capita tax of \$45. At the Lodge meeting of February 13, a motion was made to increase the dues to the \$125 total for 2024 and is tabled until the vote to be taken at the April 10 meeting.

We are updating the records with Grand Lodge. We are looking for Veterans, (time in service and conflicts that were serve in), Wives/Significant Others Names and Month and Day of her Birthday, first responders and a picture of you. These can all be emailed to the Lodge email, jvlmactr@gmail.com. Thanks for helping us update this information. If there is anything else, we will be in touch with you personally.

There will degrees for the new members as they travel on their Masonic Journey. Keep an eye out for when these degrees occur and support these new brothers.

There are a couple of items that need to be addressed at the Center. One being updating the fire suppression unit in the kitchen to the current code. This is about \$6,000 to update. The second is the replacement of the dishwasher that is 50+ years old. A replacement dishwasher has been obtained and the installation is in process.

NOTES FROM JANESVILLE-WESTERN STAR 55 TRUSTEES CENTER COMMITTEE

A **BUILDING MAINTENANCE FUND** has been established for future major repairs and updates. Examples include; roof replacement, update the kitchen fire extinguisher system, Lodge room walls repaired and repainted, and Lodge room carpet replacement. In the future these will be prioritized and ordered such as the Lodge room walls repair and repainted, etc. We want to keep our facility looking and performing at its best, to preserve the building for the future members and maintain the building as good stewards of the craft. **The City of Janesville required that a grease trap be installed in the kitchen on the dish washer. This project has been in the works for several years with the city demanding that the work be performed. The total cost for this requirement was \$12,100. The 32-year-old Air Conditioner for the Main Lodge room had developed a leak that could not be found and/or fixed. The refrigerant for this unit was no longer being made and if found would be very costly. The unit was replaced in October and when the air handler is running is very much quieter than the old unit. The cost of the replacement was \$20,000. Donations to help offset the cost of the grease trap AND the replacement of the 32-year-old air conditioner for the main lodge room would be greatly appreciated as the Masonic Center has taken a loan of \$32,000. Your help to pay for these projects would be greatly appreciated.**

DON'T FORGET! KITCHEN AND DINING HALL USERS. - A general cleanup of the kitchen and wiping off of the tables (with the disinfectant premix IN THE SPRAY BOTTLES) must be done BEFORE AND AFTER each meeting's refreshments. We all need to police the area after our meetings to insure we are up to the requirements of the Health Department at all times. We are responsible for the cleaning of the Dining and Kitchen Area. Remember there is an individual using the kitchen to make gluten free baked goods. **NOTE! PLEASE TAKE YOUR TRASH OUT WITH YOU AFTER YOUR EVENT. LADIES, PLEASE NO PURSES IN THE KITCHEN OR ON THE COUNTER TOPS OR TABLES WHERE FOOD MAY BE PREPARED OR SERVED. SEE THE KITCHEN RULES BOOK IN THE KITCHEN AND PLEASE OBSERVE.**

Building Usage - The following rental rates for the building usage of the Dining area by individual members, April 1 to November 15 the rate is \$80/day and November 15 to April 1 the rate is \$120/day. Usage of the kitchen will be extra. The rental for outside organizations will remain the same depending on what areas are to be used. Talk it up with your groups that might look at our building for holding meetings or dinners. We work with various caterers dining area. If the meeting only needs coffee and carbs, we can work out an agreement to satisfy those needs. Please contact Trustee Secretary Larry for more information.

SPECIAL NOTE – if your group needs to reserve a special date during the year – the Presiding Officer *must contact Larry Preston (Building Manager) at 608-754-2475 OR 608-201-2991* as soon as possible – for authorization. The calendar has been moved to the office for better control but I also keep another calendar at home for those calls received and later transferred to the lodge calendar. If Larry is not contacted, the date might be already spoken for resulting in someone else interrupting your event. In addition, the building heating and cooling system is computer controlled and advanced notification is necessary to program in the usage dates so the desired room temperatures can be maintained.
