Hello Everyone,

It is exciting that we are able to Master Mason degrees now and that things are opening back up!

We have got our first MM degree completed on May 19th with Bro. Eric Burr that has been waiting ever so patient over the last few years to complete. Congrats again Bro. Eric!

This month we are having an Awards Dinner on Monday, June 28th starting at 6pm. There will be some really good food, good fellowship, and good recognition for Brothers.

JUNE 23 7:30PM STATED MEETING – ELECTION OF OFFICERS

Hello Sisters and Brothers,

Happy Days are here again! Wisconsin Grand Chapter just completed the annual session May 18th and 19th. Since this was held in person Terri Hundhausen, WGM has made the decision that Chapters can open and meet in person. If you feel comfortable coming to a meeting (masks still required) we would love to welcome you back to Chapter. June 9 at 7:30 we will meet for a social get together in the fellowship hall at the lodge. I am sure we will have a fun activity to do. Then on June 23rd, we will have our first meeting. Our first order of business will be to elect our officers for the 21-22 Chapter year. We need your help. If you are interested in holding an elected office for the upcoming year, please let WM Barb know. Janesville members attending Grand Chapter were PGM Pat Rasmussen and PGP Ron Rasmussen, PGM Jane Blackwood who was elected Grand Secretary, congratulations Jane, PGM Rosie Fiscus, Grand Lecturer and our WM Barb Englund.

Our golden chain of friendship was broken with the passing of Dorothy Cassity, May 9, 2021. The Chapter performed the OES funeral ceremony for her.

Hope to see you all soon.

Barb Englund, WM Rosie Fiscus, Secretary

NOTES FROM JANESVILLE-WESTERN STAR 55 TRUSTEES CENTER COMMITTEE

A BUILDING MAINTENANCE FUND has been established for future major repairs and updates. Examples include; roof replacement, update the kitchen fire extinguisher system, Lodge room walls repaired and repainted, Lodge room carpet replacement, and Lodge room furnace replacement. In the future these will be prioritized and ordered such as the Lodge room walls repair and repainted, etc. We want to keep our facility looking and performing at its best, to preserve the building for the future members and maintain the building as good stewards of the craft.

HELP! – Help is needed on occasion to setup and takedown for special events in the dining hall and lower level. This consists of setting up tables and chairs, wiping table tops with disinfectant, taking down tables and chairs, dry and wet mopping the floor and occasionally buffing the floor, stripping the wax and applying new wax to the game room, break room and dining hall. In addition, a special person with computer abilities to help work with the automated heating and cooling system to set special occasions. Minor training will be required. If you are interested, please contact Larry Preston 754-2475 OR 608-201-2991 for more information as there is a need for more than one individual.

DON'T FORGET! KITCHEN AND DINING HALL USERS. - A general cleanup of the kitchen and wiping off of the tables (with the disinfectant premix IN THE SPRAY BOTTLES) must be done BEFORE AND AFTER each meeting's refreshments. We all need to police the area after our meetings to insure we are up to the requirements of the Health Department at all times. We are responsible for the cleaning of the Dining and Kitchen Area. Remember there is an individual using the kitchen to make gluten free baked goods. NOTE! PLEASE TAKE YOUR TRASH OUT WITH YOU AFTER YOUR EVENT. LADIES, PLEASE NO PURSES IN THE KITCHEN OR ON THE COUNTER TOPS OR TABLES WHERE FOOD MAY BE PREPARED OR SERVED. SEE THE KITCHEN RULES BOOK IN THE KITCHEN AND PLEASE OBSERVE.

Building Usage – (BUILDING RENTAL IS CURRENTLY ON HOLD) The following rental rates for the building usage of the Dining area by individual members, April 1 to November 15 the rate is \$60/day and November 15 to April 1 the rate is \$90/day. Usage of the kitchen will be extra. The rental for outside organizations will remain the same depending on what areas are to be used. Talk it up with your groups the might look at our building for holding meetings or dinners. We work with various caterers dining area. If the meeting only needs coffee and carbs, we can work out an agreement to satisfy those needs. Please contact Trustee Secretary Larry for more information.

SPECIAL NOTE – if your group needs to reserve a special date during the year – the Presiding Officer *must contact Larry Preston (Building Manager) at 754-2475 OR 608-201-2991* as soon as possible – *for authorization*. The calendar has been moved to the office for better control but I also keep another calendar at home for those calls received and later transferred to the lodge calendar. If Larry is not contacted, the date might be already spoken for resulting in someone else interrupting your event. In addition, the building heating and cooling system is computer controlled and advanced notification is necessary to program in the usage dates so the desired room temperatures can be maintained.

TRESTLE BOARD NOTE! Information for the JULY Trestle Board is *due at the Masonic Center by JUNE 22, 2021*. We appreciate the use of the special form available in the secretary's office in the red file folder on the top of the desk. We can also use my e-mail address lpmaisonic@charter.net to send this information.

KITCHEN UPDATE: The City of Janesville required that a grease trap be installed in the kitchen on the dish washer. This project has been in the works for several years with the city demanding that the work be performed. Lloyd's Plumbing has been studying the requirements of the grease trap to handle the water consumption of the dishwasher. The work started on February 1 with the removal of the dishwasher and sinks. The floor had to be x-rayed for the floor drain and electrical conduit locations. On the second, Rock Cut Co. came in to cut and remove the floor in the area of the dish washer. The grease trap fitted below the floor level and it was found that the electrical conduits had to be replaced for drain clearance. After this work was done, the floor was cemented and new floor tiles installed. The Dish washer and sinks were reinstalled everything returned to the kitchen. The kitchen and dishwasher are back in order as of February 26. The total cost for this requirement of the City was \$12,100. Donations to help offset this cost would be greatly appreciated as the Masonic Center has taken on a loan for this project.
